

USE TAX ACT (EXCERPT)
Act 94 of 1937

205.94cc Data center equipment; exemption from tax; conditions; report; definitions.

Sec. 4cc. (1) Subject to subsections (2) and (3), beginning January 1, 2016 through December 31, 2035, the tax under this act does not apply to the storage, use, or consumption of data center equipment sold to the owner or operator of a qualified data center or a colocated business for assembly, use, or consumption in the operations of the qualified data center or data center equipment sold or provided to a person engaged in the business of constructing, altering, repairing, or improving real estate for others to the extent the data center equipment is to be affixed to or made a structural part of a qualified data center.

(2) The exemption under this section only continues to apply after January 1, 2022, if the numbers gathered by the local economic development corporations are certified and reported to the department of talent and economic development and subsequently forwarded to the department and demonstrate that the qualified data centers, the colocated businesses, and the contractors of the qualified data centers, collectively, have, in aggregate, established in this state at least 400 data center industry jobs or data center industry related jobs, or a combination of both, since January 1, 2016. The department of talent and economic development shall submit a report no later than April 1, 2022 related to the number of data center industry jobs or data center industry related jobs that have been established since January 1, 2016 to the speaker and minority leader of the house of representatives, the majority and minority leaders of the senate, and the governor.

(3) The exemption under this section only continues to apply after January 1, 2026, if the numbers gathered by the local economic development corporations are certified and reported to the department of talent and economic development and subsequently forwarded to the department and demonstrate that the qualified data centers, the colocated businesses, and the contractors of the qualified data centers, collectively, have, in aggregate, established in this state at least 1,000 data center industry jobs or data center industry related jobs, or a combination of both, since January 1, 2016. The department of talent and economic development shall submit a report no later than April 1, 2026 related to the number of data center industry jobs or data center industry related jobs that have been established since January 1, 2016 to the speaker and minority leader of the house of representatives, the majority and minority leaders of the senate, and the governor.

(4) As used in this section:

(a) "Affiliate" means a person that directly, or indirectly through 1 or more intermediaries, controls, is controlled by, or is under common control with a specified person.

(b) "Colocated business" means a person that has entered into a contract with the owner or operator of a qualified data center to use or deploy data center equipment physically located within the qualified data center for a period of 1 or more years.

(c) "Data center equipment" means only computers, servers, routers, switches, peripheral computer devices, racks, shelving, cabling, wiring, storage batteries, back-up generators, uninterrupted power supply units, environmental control equipment, other redundant power supply equipment, and prewritten computer software used in operating, managing, or maintaining the qualified data center or the business of the qualified data center or a colocated business. Data center equipment also includes any construction materials used or assembled under the qualified data center's proprietary method for the construction or modification of a qualified data center, including, but not limited to, building materials, infrastructure, machinery, wiring, cabling, devices, tools, and equipment that would otherwise be considered a fixture or related equipment. Data center equipment does not include any equipment owned by a third party that is used to supply the qualified data center's primary power.

(d) "Qualified data center" means a facility composed of 1 or more buildings located in this state and the facility is owned or operated by an entity engaged at that facility in operating, managing, or maintaining a group of networked computers or networked facilities for the purpose of centralizing, or allowing 1 or more colocated businesses to centralize, the storage, processing, management, or dissemination of data of 1 or more other persons who is not an affiliate of the owner or operator of a qualified data center or of a colocated business and the entity receives 75% or more of its revenue from colocated businesses that are not an affiliate of the owner or operator of the qualified data center.

History: Add. 2015, Act 252, Imd. Eff. Dec. 23, 2015.

Compiler's note: Enacting section 1 of Act 252 of 2015 provides:

"Enacting section 1. The legislature shall annually appropriate sufficient funds from the state general fund to the state school aid fund created in section 11 of article IX of the state constitution of 1963 to fully compensate for any loss of revenue to the state school aid fund resulting from the enactment of this amendatory act."
